<https://www.faypwc.com/bids/>

#### Bid Addendum

**PWC Number:** PWC2324073

**Bid Title :** Grays Creek Water Extension Design RFQ

**Bid Opening Date and Time:** May 9, 2024 at 4:00

**Addendum Number:** I

**Addendum Date:** May 7, 2024

**Procurement Advisor:** Tanya Hazlett  
procurement@faypwc.com

- 
1. This addendum does not need to be returned.
  
  2. Following are questions received about the solicitation and the SME's answers to the questions.
    - Q1.** Please provide who will be responsible for hydraulic modeling to confirm water main sizing. Modeling data could include diurnal pressure and flow at the existing system connection point and available diurnal pressure and flow at the two schools. Modelling data could include ultimate capacity for future extensions.
    - A1.** The consultant firm should be prepared to assist in water main sizing if desired. This will be discussed and communicated during the scoping meeting with the selected consultant firm.
    - Q2.** Is there an estimate or budget amount for these services?
    - A2.** No, if PWC desires to engage in tasking the selected consultant firm, then it will be discussed at the scoping meeting and/or via an amendment process.
    - Q3.** And is there a start/end date for when the work needs to be completed?
    - A3.** The design effort schedule for completing all work is December 2024.
