

RESOLUTION EXEMPTING ENGINEERING SERVICES FOR CONTINUED FREE PRODUCT REMOVAL AND DELINEATION OF CONSTITUENTS FROM NORTH CAROLINA GENERAL STATUTES 143-64.31

WHEREAS, North Carolina General Statutes (“G.S.”) 143-64.31 requires the initial solicitation and evaluation of firms to perform architectural, engineering, surveying, construction management-at-risk services, and design-build services to be based on qualifications and without regard to fee;

WHEREAS, the engineering firm Haggett Engineering Associates, Inc. has performed continued free product removal and delineation of constituents at the Commission’s fuel island (the “Project”);

WHEREAS, in furtherance of the Project, PWC now has a need for engineering services to be performed by a third-party engineering firm, and Haggett Engineering Associates, Inc. is best suited to perform those services based, in part, on the firm’s remediation and monitoring process;

WHEREAS, G.S. 143-64.32 authorizes units of local government to exempt contracts for design services from the qualifications-based selection requirements of G.S. 143-64.31 if the estimated fee is less than \$50,000 and PWC has so exempted itself; and

WHEREAS, the estimated fee for the engineering services for the Project is less than \$50,000.

THEREFORE, LET IT BE RESOLVED BY THE COMMISSIONERS OF FAYETTEVILLE PUBLIC WORKS COMMISSION THAT the engineering services for the Project are hereby made exempt from the provisions of G.S. 143-64.31.

ADOPTED this 8th day of November 2023.

FAYETTEVILLE PUBLIC WORKS COMMISSION

Donald L. Porter, Chairman

ATTEST:

Ronna Rowe Garrett, Secretary
