-
1. Return one properly executed copy of this addendum with bid response or prior to the Bid Opening Date/Time listed above.

 2. Following are questions received about the solicitation and the SME's answers to the questions.
 - Q1.** Is this a pre-event or post-event contract?
 - A1.** This contract is specific for storm events, a stand-by contract that includes services during events, and all emergency removals should be completed within 24 to 48 hours, depend on the severity of the storm's impact.
 - Q2.** Is there a monitoring contractor? If not, does the City plan on issuing a solicitation for monitoring?
 - A2.** The contract is related to Fayetteville Public Works Commission. **Reference page 10 Tasks/Deliverables: Reporting and Documentation.**
 - Q3.** Can the City provide an estimated volume of work?
 - A3.** The contract is related to Fayetteville Public Works Commission. The volume has not been determined, price should be based on an hourly rate.
 - Q4.** The City of Fayetteville has a pre-event contract for disaster debris removal in place. Can the City state why this work is not being done under that current contract, given this is storm related?
 - A4.** The contract is related to Fayetteville Public Works Commission only and is not associated with the contract with the City of Fayetteville.
 - Q5.** What is the contract duration?
 - A5.** The contract is anticipated to be awarded on or about January 1, 2025, and will terminate on December 31, 2025.
 - Q6.** What is the budget allocation?
 - A6.** The agreement will include a contract ceiling price, ensuring that payment does not exceed the Federal Uniform Guidance small purchase threshold.
